LABORERS FOR THE HARVEST

Today's Gospel tells the story of the sending out of the seventy-two, some of the first disciples in the burgeoning church. They must have been full of idealism and excitement as they went from town to town healing the sick and expelling demons. Today, the Fourth of July, we remember those who founded our country and can also imagine their excitement and idealism as they worked in this newly established country. Our Church, now over two thousand years old, is still in need of men filled with idealism and excitement who are willing to answer the call to the ordained priesthood. Today is a day to pray for vocations to the priesthood; as the Lord tells his disciples, "[A]sk the master of the harvest to send out laborers for his harvest" (Luke 10:2). © Copyright, J. S.
